### Facilities & Practices

Medical Doctor Associates has been in the healthcare staffing industry since 1987, and in that time, we have learned a lot about what medical facilities look for in a staffing firm. That's why we offer our clients a single point of contact for their locum tenens, temp-to-perm and permanent placement staffing needs... [more >>](#)

### Locum Tenens

Working as a locum tenens professional with Medical Doctor Associates offers a greater level of choice and control in your career path. Whether you are an experienced physician desiring flexibility with your schedule, a retired physician seeking a new adventure or a resident looking for the right practice... [more >>](#)

### Advanced Practice

Medical Doctor Associates is pleased to provide nurse practitioner and physician assistant locum tenens and permanent placement job opportunities. Our experienced Advanced Practice Team can help you find long- or short-term assignments in a wide variety of settings nationwide... [more >>](#)
